Additional Information Regarding Program Fee

We require a one-time up front Program Fee of \$95.00 to be paid in full within 60 days following application approval and before your Account is opened. Once we have received and processed your payment of the Program Fee, your Account will be opened and you may activate and begin using your Card. Refer to the Section entitled “Refund Disclosure” for additional information.

Additional Information Regarding Interest Charges and Other Fees

Your Account is subject to the following Interest Charges and Fees, each of which will be charged to your Account as a Purchase for the purpose of calculating Interest Charges:

Interest Charges:

Paying Interest Charges. You agree to pay us Interest Charges on your Account as described herein. Subject to any grace period for new Purchases as described in the next section, Interest Charges will be imposed beginning the date a Purchase or Cash Advance is posted to your Account and will continue to accrue until payment is posted.

How to Avoid Paying Interest Charges on New Purchases (Grace Period). If you paid the New Balance on your prior monthly billing statement by the due date shown on that billing statement, we will not impose any Interest Charges on new Purchases, or any portion of a new Purchase, paid by the due date on your current monthly billing statement (which will be at least 21 days from the billing cycle closing date). New Purchases are Purchases that first appear on your current billing statement. Cash Advances are subject to Interest Charges from the date the transaction is posted to your Account. Unlike Purchases, this means there is no time in which you can pay the balance of Cash Advances in order to completely avoid Interest Charges on Cash Advances.

Daily Periodic Rate and Corresponding ANNUAL PERCENTAGE RATE (APR). Interest Charges for Purchases and Cash Advances are calculated at a daily periodic rate of 0.09585%, which is a corresponding **ANNUAL PERCENTAGE RATE (APR)** of 34.99%. We calculate the daily periodic rate by dividing the APR by 365. **Subject to any grace period, the APR applied to Purchases will be applied to Fees assessed to your Account.**

How We Calculate Interest Charges – We use the **Average Daily Balance Method (Including New Purchases)** to calculate the Interest Charges for each billing cycle. We calculate the **Interest Charges** separately on the Purchase balance and the Cash Advance balance that is subject to an APR. We figure the Interest Charges on the Purchase balance and Cash Advance balance by multiplying the **Average Daily Balance** for each balance by the **Daily Periodic Rate** that applies to that balance. We then multiply that amount by the number of days in the billing cycle. The result is the **Interest Charges** for that balance.

How We Calculate Average Daily Balance – We calculate the **Daily Balance** as follows: (1) we take the previous day's balance (which may include unpaid interest), (2) add new Purchases (including Fees and other charges) to the Purchase balance and Cash Advances to the Cash Advance balance, (3) add any interest accrued on the previous day's balance (this results in daily compounding of interest), and (4) subtract any payments or credits as of the date posted to your Account, and any other adjustments as of the day they are credited to your Account. We figure the **Average Daily Balance** (shown as the Balance Subject to Interest Rate on your statement) separately for Purchases and Cash Advances for each billing cycle. We do this by (A) adding up the **Daily Balances** for each balance type, and (B) dividing the result for each balance type by the number of days in the billing cycle. This gives us the **Average Daily Balance**. If a **Daily Balance** is negative, we treat it as zero.

Minimum Interest Charge. In any month in which an Interest Charge is due, if that Interest Charge is less than \$1.00, we may charge you a minimum Interest Charge of \$1.00. Notwithstanding the foregoing, during the first 12 months your Account is open, any Interest Charges assessed on your Account will be equal to the actual accrued interest.

Fees:

Annual Fee. Your Account will be assessed an Annual Fee of \$75.00 when your Account is opened and \$48.00 every twelve months thereafter whether or not you use your Account. The Annual Fee is non-refundable except as provided in the Section below entitled "Refund Disclosure." Your payment of the Annual Fee does not affect our right to close your Account. The Annual Fee will not be billed to your Account after your Account is closed. The Annual Fee will be pro-rated based on when the Account is reopened and the Card is re-issued.

Monthly Servicing Fee. Your Account will not be charged a Monthly Servicing Fee for the first year (introductory) following Account opening. Each month thereafter, your Account will be charged a Monthly Servicing Fee of \$8.25 per month (\$99.00 annually). This fee will be billed until your Account is closed and the balance is \$20.00 or less.

Cash Advance Fee. In addition to the periodic Interest Charge we assess on Cash Advances, each time you obtain a Cash Advance, we will impose a transaction fee of \$10.00 or 3% of the amount of each Cash Advance, whichever is greater. Notwithstanding the foregoing, your Account will not be charged any Cash Advance fees for the first year (introductory) following Account opening.

Late Payment Fee. If we do not receive payment from you in at least the amount of your Total Minimum Payment Due by the due date shown on your monthly billing statement, you will be charged a Late Payment Fee. The fee will be the lesser of (a) \$30.00 if you did not incur a Late Payment Fee during any of the prior six billing periods; otherwise \$41.00, or (b) your past due Total Minimum Payment Due amount.

Returned Payment Fee. If any check or other item tendered in payment of the amount due on your Account is returned unpaid for any reason, you will be charged a Returned Payment Fee. The fee will be the lesser of (a) \$30.00 if you did not incur a Returned Payment Fee during any of the prior six billing periods; otherwise \$41.00, or (b) your past due Total Minimum Payment Due amount.

Additional Card Fee. If you authorize us to issue an additional Card for an Authorized User, an Additional Card Fee of \$29.00 will be imposed annually for each additional Card. This fee will be assessed at the time you request each additional Card and annually thereafter following each anniversary date of your Account opening, whether or not the additional Card is used. This will reduce your initial available credit by the amount of the fee(s). The Additional Card Fee is non-refundable except as provided in the Section below entitled "Refund Disclosure." The Additional Card Fee will be pro-rated the first year based on when the additional Card is issued.

Premium Plastic Card Design Fee. If you choose to select a Premium Plastic Card Design, you authorize us to bill a one-time Premium Plastic Card Design Fee to your account. The cost of the selected card will be disclosed to you at the time you select it, however, will never exceed \$10.00. The Premium Plastic Card Design Fee is refundable if you request to cancel the Premium Card Design and notify us of your election within thirty (30) days or one billing cycle (whichever is less) after the fee appears on your monthly billing statement.

Credit Limit Increase Fee. After your Account has been open for at least one year, a fee of 20% of the amount of any increase in your credit limit may be charged to your Account as a Credit Limit Increase Fee. For example: if your credit limit is increased by \$100.00, a \$20.00 Credit Limit Increase Fee will be assessed, which will result in additional available credit of \$80.00 on your Account. This fee is automatically assessed upon your acceptance of each credit limit increase.

Express Delivery Fee. We impose a \$35.00 fee for the express delivery of your Card.

Copying Fee. If you request duplicates of any monthly billing statement or other document, a copying charge of \$3.00 may be imposed for each copy we provide, unless the request is made in connection with a bona fide billing error dispute.

If and when your application for an Account is approved, the complete terms applicable to the Account will be furnished to you with the Card. In these disclosures, "We", "our" and "us" each refer to The Bank of Missouri, and "you" and "your" each refer to the person applying to us for an Account.

Changes To Rates, Fees And Terms. We may change the terms of your Account, including without limitation the APRs, at any time in accordance with applicable law and the cardholder agreement that will be sent with your Card.

Permitted Uses. You may use your Card and your Account to make Purchases wherever your Card is accepted, provided your Account is in good standing and you have available credit. Each time you use your Card, either for a Purchase or a Cash Advance, you are requesting us to make a loan to you for the amount of the Purchase or the Cash Advance. Each Purchase and Cash Advance obtained will reduce the available credit under your credit limit until it is repaid in accordance with the terms of this Agreement.

Prohibited Uses. You may not use your Card outside the United States, or to make a charge in a foreign currency. The Card may not be used for any illegal transactions, on-line gambling transactions or at an automated fuel pump. If you use, or allow someone else to use your Card or Account for any prohibited purpose, you will be responsible for such use and may be required to reimburse us for all amounts or expenses we pay as a result of such use.

Available Credit And Cash Advance Limitations. If your application for an Account is approved and once your Account is opened, your credit limit will be \$300.00 and your initial available credit will be \$225.00 (\$196.00 if you choose to have an additional card). You may use your Card to obtain Cash Advances if your Account has been open for at least the later of ninety (90) days or three completed billing cycles, is not past due and you have available credit for Cash Advances. However, the total of your unpaid Cash Advances may not exceed one-half of your credit limit. Cash Advance amounts may also be subject to limits imposed by banks and ATM operators.

Credit Limit Increases. Through notification from us or upon your request, your Account may be reviewed for a credit limit increase after being open for at least twelve (12) billing cycles. If you accept a credit limit increase offer, a Credit Limit Increase Fee will be assessed to your account. Please see the “Additional Information Regarding Interest Charges and Other Fee”, above, for more information about the Credit Limit Increase Fee. We will refund any partial payment of the Program Fee if you do not open your Account. If you later elect to close your Account and notify us of your election in writing within thirty (30) days or one billing cycle (whichever is less) after an Annual Fee appears on your monthly billing statement, the Annual Fee will be credited to your Account. If you elect to cancel an additional Card and notify us of your election in writing within thirty (30) days or one billing cycle (whichever is less) after an Additional Card Fee appears on your monthly billing statement, the Additional Card Fee will be credited to your Account. Except as described in this paragraph, Fees are generally non-refundable.

In the event of any dispute relating to your Account, the dispute will be resolved by binding arbitration pursuant to the rules of the American Arbitration Association or an arbitration organization mutually agreed upon by the parties. Both you and we agree to waive the right to go to court or to have the dispute heard by a jury (except in regard to any collection activities on your Account). You and we will be waiving any right to a jury trial and you also would not have the right to participate as part of a class of claimants relating to any dispute with us. Other rights available to you in court may also be unavailable in arbitration. When you receive your cardholder agreement, you should read the arbitration provision in your agreement carefully and not accept or use the Card unless you agree to be bound by the arbitration provision or timely opt-out.

Your Liability For Unauthorized Use Of Your Card. You will not be liable for unauthorized use of your Card or Account. YOUR BILLING RIGHTS

KEEP THIS NOTICE FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Monthly Billing Statement

If you think there is an error on your monthly billing statement, write to us at the address listed below. In your letter, give us the following information:

- *Account information:* Your name and Account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error first appeared on your monthly billing statement
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your billing statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable Interest Charges and Fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to pay the first \$50.00 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50.00. (NOTE: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your Card for the Purchase. Purchases made with Cash Advances from an ATM or with a check that accesses your Account do not qualify.
3. You must not yet have fully paid for the Purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

The Bank of Missouri
PO Box 89028
Sioux Falls, SD 57109

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
