You must be enrolled in your bank's online bill payment service for this payment option; please check with your bank regarding any fees they may charge for this service. Your bank will have their own instructions, but the screen below is an example and provides the information needed to initiate your payment to us:

All you will need to make the payment is the payee name First Access and your 16 digit account number. You may also need to confirm our remittance address. Please check with your bank to see how funds will be remitted. Your bank may send a paper check instead of electronic funds, which may delay your payment.
